

# ECC 2026, Saturday 3 October

## Referees and table officials

Provisional list, directly from the organiser. There may be a discrepancy, which the organiser will check and clear up soon. An updated list will follow, so check canoe polo.eu for the latest. A team name means that team supplies the official. "(Men)" after a club means its men's team covers a women's game. Only games up to 13:00 have officials so far, the rest will be added when the organiser sends them.
